

Jekyll Island

This topographic map of Jekyll Island, Georgia, shows the island's coastline and surrounding waters. The Atlantic Ocean is to the east, and Jekyll Sound is to the west. The island is divided into several sections, including Jekyll State Park, Jekyll Golf Course, and Jekyll Campgrounds. Key landmarks include the Ruins of George's First Brewery, the Jekyll Chapel, and the Jekyll Light. A route is marked with a green star at the start and a red pentagon at the end. The map also shows various water bodies, including Jekyll Creek, Jekyll River, and Jekyll Sound. A scale bar at the bottom right indicates distances in miles (0, 0.25, 0.5, 1).
